PARIS, BOURBON COUNTY, KENTUCKY, FRIDAY, DECEMBER 30, 1921

HELD TO GRAND JURY

In the County Court, Tuesday, the cases of Ross Morris and Claude Morris, brothers, who were arrested near Centerville by Sheriff McClintock and Deputy Sheriffs McClintock and Gibson, on charges of housebreaking and chicken stealing, were heard before Judge Batterton. Both were held to answer to the charges at the next term of the Bourbon Circuit Court.

The men were arrested following burglary of Goebel Kiser's residence near Centerville. The men were found at the home of their father, near Paris. Claude Morris, who was a fugitive from justice, according to the officers, was found secreted in a closet in a space seemingly too small for a child to hide in. He was doubled up in a "human knot," and the officers had great difficulty in getting him out.

Ross Morris, charged with burglary of the Kiser home, when shown a button from a sweater, which had been caught in a shutter and torn from the garment, and which matched the buttons on the sweater he was wearing, made a full confession of his participation in the robbery.

FAREWELL RECEPTION FOR POPULAR PARIS PEOPLE

Mr. and Mrs. A. L. Boatright, who are leaving Paris, January 1, for their new home, Hopkinsville, Ky., were tendered a farewell reception Tuesday night in the parlors of the Christian church by the members of the congregation. Mr. Boatright will become assistant pastor of the Hopkinsville church.

Fully two-thirds of the membership of the congregation attended the reception, and by their presence attested the deep affection in which Mr. and Mrs. Boatright were held here. Refreshments were served. A handsome gold watch was presented to Mr. Boatright by the officers of the church, in token of their appreciation of the faithful service he had given the church in the years he had been connected with it, and for the good work he has done in reorganization and building up the church choir.

At the meeting of the Mission Circle, Miss Esther Boatright, who has for several years been organist for the church, was presented with a "Friendship" gold bracelet by the members of the Circle. Mr. and Mrs. Edward T. Hinton entertained for them at their home on Pleasant street. The Men's Chorus and choir of the church gave a farewell supper in their honor, when Mr. Boatright was presented with a gold watch chain, and Miss Esther Boatright with a gold pin. At the reception given at the home of Mr. and Mrs. James G. Metcalfe to the officers and teachers of the Sunday school Mrs. Boatright was presented with a sterling silver cream and sugar set.

Paris will part with the members of this most estimable family with sincere regret. Since coming here they have made themselves an enduring and abiding place in the esteem and affection of the community that even time cannot efface. Paris will never forget them, and will always envy the good people of Hopkinsville for what they have taken from us.

TWO BIG FIRES DO CONSIDERABLE DAMAGE

The Brahey building, Munfordville Dry Goods store and a drug store at Munfordville, were burned early Wednesday, with a loss of about \$40,000, partly covered by insurance. The Brahey building was occupied by a grocery company, and Henry Smith, silversmith. Persons living in apartments upstairs fled in night clothes. The Hart county bank, adjoining, was saved by a brick wall.

Fire destroyed the garage of Geo. H. Sandifer, on Green street, in Versailles, together with six automobiles and the house of J. R. Dugan, undertaker. The garage building, owned by Woolridge Bros., was a total loss, amounting to about \$5,000. The house was valued at \$6,000, upon which there was \$1,500 insurance. The six machines were worth about \$10,000. The insurance could not be ascertained.

D. A. R. REGENTS TO MEET HERE TO-DAY

The Regents of the various D. A. Chapters of the State will hold a special called meeting here to-day, in response to a call issued by the State Regent, Mrs. Rebecca Averill, of Frankfort. The purpose of the meeting, which will be held at the home of Mrs. Wade H. Whitley, on Vine street, will be to complete plans for starting the D. A. R. Settlement School at Hueysville, in Floyd county, for which funds have already been raised.

Miss Anna VanMeter, of Lexington, who will have charge of the school when it opens in January, will be present at the meeting to consult and advise with the regents. Miss VanMeter has had a varied experience in this line of work, having been for many years with the Hindman Settlement School, and more recently engaged in home service work in the mountains of the State.

PARIS BOYS IN NEW POSITION

Preston White, son of Mr. and Mrs. Frank P. White, of near Paris, has accepted a responsible position with the Coffield Tire Protector Co., and will leave this week for Dallas, Texas, to assume his duties as distribution manager for the State of Texas.

Sherman Snapp, formerly of Paris, who has for several years been connected with the Royal Baking Powder Co., in charge of a force of employees on the Pacific Coast, has received a well-merited promotion and will be brought closer to his old home, having been assigned charge of the Cincinnati office. Mr. Snapp will take up his new territory on January 1. He will have charge of the advertising offices. Mr. Snapp is at present in Paris, spending the holidays as guest of his mother, Mrs. Alice Snapp, and family, on Lillieston avenue.

Lieut. J. Stuart Wallingford, formerly of Paris, has received a commission in the United States army service, and will be stationed at Camp Knox, near Louisville. Lieut. Wallingford, who has been spending part of his holiday vacation in Paris, left Wednesday for Camp Knox to assume his duties. PARIS "Y" TO OPEN SEASON

Paris Y. M. C. A. basketball team will open its season at the Paris "Y" gym this (Friday) evening, December 30, at 7:30, with the Cynthiana Christian Church team.

Although Paris "Y" lost its first two games, which were played off the home floor, they are not disappointed, as they were against the strong Covington "Y" Puritans, and Georgetown College, which are ranked among the best teams in the State. Paris team showed up excellently in team work, but due to lack of intensive practice, the goal shooting was faulty, but this should be smoothed out by to-night, as Coach Sheffield has been taking them through some hard workouts. This year's team is conceded to be better than last year's five, as they have the 1921 team intact and have been strengthened by the addition of Tucker and Kenney, who would make the best college forwards fight for a position on the first team. Cynthiana C. C. are reputed to have a strong organization, and the game should be a fast one from the start. The line-up will be selected from the following: Dawes, Meglone or Chiple, center; McIntyre, Port, O'Neil, guards; Kenney, Roberts, Tucker, forwards.

NOTICE

On and after January 1, 1922, the business of the Big Four Motor Co., will be conducted on a cash basis to one and all, except those who have paid us promptly every thirty days. Walter Payne. The repeal becomes effective on and after January 1, 1922.

PARIS HIGH SCHOOL NOTES

The Paris City Schools will resume studies on Tuesday, January 3. All new students are urged to matriculate at this time in order to prepare for the second semester. The next meeting of the mechanical drawing class will be on Tuesday evening, January 3. New members may enter at that time. Forty-one adults are attending the evening classes, and it is expected that one hundred or more will enroll during the year. It is hoped to reach every young man and woman in Paris this winter who wants to study.

APPOINTED OIL INSPECTOR

Harry O. James, who has for the past four years filled the office of Oil Inspector of Bourbon county, will now retire to the ranks of plain citizen, while his successor, Jo. B. Smith, livestock dealer and recent candidate for Tax Commissioner, will take up the duties Mr. James surrenders. Mr. Smith's appointment to the position was recently made by County Judge George Batterton. There is no salary attached to the office, but there is a scale of fees which makes it a very remunerative job.

INTERESTING CHRONOLOGY FOR 1921 IN THE NEWS

One of the most interesting features of this issue of THE NEWS is the chronology for 1921, compiled by E. W. Pickard, statistician of the Western Newspaper Union especially for THE NEWS. The chronology comprises a summary of the principal events transpiring in the year 1921, up to a few days of this issue, and will prove interesting reading, or for preserving in your scrap book. The articles are published on pages six and seven of this issue. Don't forget to look it up.

A double Christmas wasn't bad, The kids were winners, But still it was a husky lad Who could eat two dinners.
"Write as you feel," is the advice given by Norma Talmadge to a young woman who asked her about going in the scenario-movie writing game. Now, that may be all right in that business, but if an editor should do that, his paper would be excluded from the mail.

Kentucky Baptists spurn the idea that we came from monkeys, but they utterly failed to tell us who, otherwise, is responsible for Volstead, Wayne B. Wheeler, and the rest of the ilk.

We are progressing far along the road to normalcy. At least that is the opinion held by one Paris man whose income is moderate. He stated the other day that he was glad he didn't have a peg leg every time he has to buy a pair of shoes.

There is a great scandal going the rounds in this fair city of Paris, to the effect that even some of the old women of the city are taking to the fad of rolling their stockings down. There's apparently no age limit for a fad when it hits a place.

Some Paris women have been heard to express themselves as being strongly in favor of soap flakes as a great household improvement over the old-fashioned soap bar, but their men folks are frequently heard to express the wish that they didn't look so much like shredded cocoanut and breakfast foods.

Judge Walter Evans, of Louisville, was not amiss when he called attention in his court to the fact that there are other amendments to the Constitution besides the Eighteenth Amendment. There are too many people nowadays who seem to act on the theory that the Eighteenth repeals all the rest of the Constitution.

Lexington is talking about employing a "city beauty expert." Lexington surely needs one. Paris is naturally beautiful. If you find anything unsightly about this little city of ours, it is because the people of Paris have made it so. We can keep it beautiful by trying to keep it clean and observe the requirements of civic pride. Let's do it.

Dr. Marmaduke Brown, former Parisian, now a New Yorker, says the New Yorkers are a rum lot, as far as he has discovered. He says there's a move on foot for a tunnel to connect the borough of Richmond with Brooklyn, and that eventually the difference between a groundhog and the average New Yorker will be that no matter what the weather is the New Yorker is seen February 2.

We need standard road signs. If a motorist sees a red triangle or a green circle or a yellow square, he should know automatically what it means. Most of those who use the roads obey cheerfully instructions that are clear. "The silent sentry" and the painted division line around curves have done a great deal to regulate traffic for school, school, railway crossing underpass, cross roads, double corners and steep hills.

Scene from "The Four Horsemen of the Apocalypse" at the Paris Grand, Monday and Tuesday, January 2 and 3.

"THE FOUR HORSEMEN OF THE APOCALYPSE" AT PARIS GRAND THEATRE

For two days, with two performances a day, "The Four Horsemen" of the Apocalypse Metro picturization of Ibanez's story which has been more widely read, probably than any other novel of recent years, will be seen at the Paris Grand Theatre, beginning next Monday, January 2, at 2:15 p. m. This same picture created a sensation in Cleveland, where it continued after many weeks to draw crowded houses.

"The Four Horsemen" is a splendid entertainment, but thoughtful and discerning people who see it realize that it is more than this. John New York Times called it an epic of New York Times called it an epic of the movies, simply expressing the opinion of thousands of people who had seen the picture in that and other cities. "The Four Horsemen" while showing the wickedness and sordidness of war does not preach pacifism. It visualizes the fact, as expressed by Tchernoff, the Russian mystic, that conquest, war, famine and death will ravage humanity "until all hatred is dead and only love lives in the hearts of men," but also shows by the development of the characters, that the best in them is brought out under the fires of national trial and the urge of patriotism.

WASTE

Ragpickers salvage \$2,000,000,000 worth of stuff a year, thrown away by Americans, we are told by the Waste Trade Journal.

The salvage includes 290,000 tons of brass and 200,000 tons of automobile tires, inner tubes and other junk rubber.

Fifty thousand people are kept busy picking up what we throw away. This is salvage amounting to \$40,000 each.

There is an old saying: "Europe could live on what America throws away."

We are a wasteful people, because normally we are the most prosperous in the world.

Look in the garbage can or around the back lot for proof of your own wastefulness.

106 WAREHOUSES IN BURLEY POOL

Association Has Ample Facilities For Handling 790,000,000 Pounds Of Pooled Tobacco

ALL HOUSES MAY OPEN SOON

The 55,000 members of the Burley Tobacco Growers Co-operative Association, through their organization and its Board of Directors, now are in possession and control of one hundred and six of the warehouses of the burley district, giving them ample facilities for the receiving and grading of the more than 190,000,000 pounds of tobacco signed up to the association to be marketed co-operatively, along the line of the plan followed by the great Western, Southern and southwestern Co-operative Association.

Those warehouses probably will cost the burley growers' association more than \$5,000,000 when they are purchased, as they will be as soon as arrangements can be made to take them over. From December 15 they are under lease to the association and June 15, 1922, the title to the properties contracted for, will pass outright to the association save in cases where the owner desires only to lease his property. Of the 106 warehouses now under the control of the association, all save three are to be taken over, the three being leased or sub-leased to the association. Other warehouses, whose owners and stockholders have asked for time to consider the proposition, will be purchased or leased and it is not improbable that by the time tobacco is received, which will be as soon as financing plans now under consideration are completed, 125 out of about 130 warehouses in the district will be under the control and in possession of the burley co-operative association of growers.

The growers have been anxious to learn how their tobacco would be received and that question was answered when the board of directors approved the plan of President Jas. C. Stone to take the tobacco in baskets, as under the old loose leaf sales system, so that the growers are not put to the expense of nogsheds, the grower receiving an advance of whatever amount is agreed upon between the association's officials and the bankers, who already have arranged to finance the 1921 crop.

The adoption of the resolution for bidding any officer or employee of the association from buying the delivery receipts given members with their advance is paid them on their crops. It was said, will eliminate speculation in the crops of the growers, for any officer or employee who violates this rule will be dismissed promptly from the service of the organization. Should any employee or official of the organization attempt to take advantage of the information he may obtain in an official capacity to speculate with the crops of the pooled growers through their delivery receipts his connection with the association promptly will be terminated.

Even if every warehouse in the district that has not been taken over by the association should operate there is not enough tobacco, in the opinion of warehousemen, to furnish work for the warehouse forces for more than three or four weeks at the most. It is believed that the non-pooled crop will all be sold within the next three or four weeks at most, as some warehouses that have been selling, some of which have been hostile to the burley pool, have been reduced to the necessity of holding but two sales a week.

Warehousemen whose services are desired by the association will continue in charge of the plants taken over the past week. Tobacco will be graded on the floors as it is received, but nothing has yet been made public as to method of sale, save that it will not be by the old so-called "dumping" method, on which the growers in the past have blamed all their woes.

Mr. Charles C. Clark, President of the Independent Tobacco Warehouse Company, and Mr. Edward Burke, President of the Bourbon Tobacco Warehouse Company, Friday signed contracts whereby the six big modern warehouses belonging to the two companies, and located on South Main street, in Paris, passed to the control of the new Burley Tobacco Co-operative Marketing Association. Consummation of the two deals were put over at Lexington.

Responding to the request of Dr. J. Y. Joiner, organization chairman of the tobacco growers' campaign in North Carolina, Capt. Wm. Collins, of Paris, and Clifford Rodes, of Burgin, Ky., left Tuesday for Raleigh to take part in a three-day

ALL HAIL THE NEW YEAR

With this issue THE NEWS closes the old year of 1921, and looks confidently across the clean pages of the incoming year for a continuation of the good business that has been our portion in the past. There has never been a lack of confidence in the ability of the Paris merchants to take care of their interests, and the croaking that has found lodgment in some other places finds no echo here. Our merchants have had a prosperous year, and with a united full, optimism and a feeling of restored confidence they will face the New Year bravely, determined to take hold of the business with bright prospects and unfaltering front.

THE NEWS extends thanks to all its friends and patrons for the favors we received in the past year, and hope conditions will warrant a continuation of the same in the New Year. To one and all we wish a Happy and Prosperous New Year.

Good luck in a measure favored Rankin Mastin, of Ferguson street, Wednesday evening. While splitting kindling at his home a long splinter flew upward from a piece of plank, striking him in the right eye, inflicting a painful wound. Had the splinter struck a fraction upward it would have destroyed the sight. Mr. Mastin considers his escape a narrow one.

A GENTLE REMINDER TO DOG AND AUTO OWNERS

Owners of Bourbon county dogs and automobiles are reminded that a penalty will soon attach as a result of their failure to take out the license as required by law.

If you are running an automobile or own a dog you had better call at once at the office of County Clerk Pearce Paton, in the court house, and provide yourself with the necessary license. Bring in your old automobile license numbers when you come. Don't forget that this is the last chance to avoid a penalty that attaches for failure to take out auto and dog licenses on time.

There is no recourse, nothing else to it. You must obey the law. If you do not do so, you cannot operate your auto, and the officers will take care of the dog in their own way.

A GENEROUS WORLD

"French Sal" a famous Chicago beggar, died the other day, and after the funeral it was found that she had \$100,000 hidden in her attic home.

A wealthy Montana copper operator, visiting Detroit, fell asleep in a chair in front of his hotel. He had on dark glasses. Many people mistook him for a blind beggar, and when he woke up he had 40 cents in his hat.

Cities have as many kind-hearted people as small towns. The cold-bloodedness of big cities is mostly on the surface. Folks are much the same everywhere.

Human nature travels under many disguise, but it never changes.

Perhaps if the founders of the government had it to do over again they would omit the Senate.

BRIGHTER EVENINGS

Just History

In '78
The Colonial Dame
Spun her cloth
By Candle flame.
In 1860
In Crinoline bright,
She greeted her guests
By Coal Oil light.
And later on,
How time does pass
Her home was lit
By flickering Gas.
But the girl of to-day
Who wants her home bright,
Just presses a button
And has Electric Light.

Fordson TRACTOR

'The Tractor will enable the farmer to work fewer hours in the day, giving him more time to enjoy life. I believe the tractor will make farming what it ought to be—the most pleasant, the most healthful, the most profitable business on earth.'

This tractor has been done much—very much—in bringing true Mr. Ford's prophecy; for in it is a machine which has harnessed one of the most dependable, efficient, adaptable, economical sources of power in the world—a machine that saves from thirty to fifty per cent of the farmer's time—a machine which many farmers claim plows, harrows or drills as much ground in the same time as four, six or even eight horses. And more—a machine that takes care of every power job on the farm.

Call and let's talk it over, or telephone or drop us a card and we will bring the facts to you.

IF WOMEN ONLY KNEW

What a Heap of Happiness It Would Bring to Paris Homes

Hard to do work with an aching back.

Brings you hours of misery at leisure or at work.

If woman only knew the cause—that

Backache pains often come from weak kidneys;

'Twould save much needless woe.

Doan's Kidney Pills are for weak kidneys.

Read what a Paris citizen says:

Mrs. J. A. Hughes, 124 Tenth St., says: "We have used Doan's Kidney Pills in our home and they always give the best of results. I used them recently when my kidneys were out of order and I had a weak feeling across my back. Doan's relieved the trouble at once. I felt tired and nervous all the time and not much

like doing any kind of work. I sent to Varden & Son's Drug Store and got a couple boxes of Doan's Kidney Pills. I began using them and they soon cured the trouble so I have never been bothered since. I take pleasure in recommending Doan's Kidney Pills."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Hughes had. Foster-Milburn Co., Mfrs., Buffalo, N. Y. (adv.)
